FIRKA DEVELOPMENT DEPARTMENT

DEMAND NO. XXXVIII.

CUT MOTION NO. 1017.

NOTE ON SUPPLY OF COIR STORES.

In G.O. No. 4549, Development, dated 17.11.1945 sanction was accorded to the opening of 3 factories -- one each in Malabar, South Kanara and East Godavari districts to produce coir goods to meet civilian demands. The demand of coir goods by Government of India ceased to exist due to the sudden end of World War II. Though the scheme was sanctioned for only one year to begin with, it was later extended upto 16.11.1947 in G.O. Ms. No. 4397, Development, dated 26.11.1946.

In October 1947 the Director of Industries and Commerce reported that out of the 3 centres, only the Centre at Calicut was functioning satisfactorily and that the other two centres at Ullal and Amalapuram were closed due to dearth of raw materials. The factory at ~~Calicut~~ Calicut was shifted to Beypore to secure the benefit of the technical supervision of the Superintendent of Government Coir School, Beypore. The staff employed for the coir factory in Beypore was continued for a further period of one year from 16.11.1947. As the Director of Industries and Commerce reported that the factory at Ullal could be revived only after spade work by way of demonstration in improved methods of coir industry among the people there, is carried out, Government have sanctioned the employment of a demonstrator for a period of one year to carry on demonstration and propaganda work at Ullal but the expenditu on this item will not be debited to "85-Capital Outlay".

M.S. Jagannayakulu,
Secretary to Government.
